Based on what Reyhan sent, I'm going to reply to Ana and let her know that we're asking those groups if their comments can be released. I just want her to know we're looking into her request.

Are you ok with this?

The CAG has requested copies of your letter submissions to the CSTAG; the letters (NJDEP letter dated February 13, 2018 and NOAA/FWS letter dated February 16, 2018) are not marked as subject to the Joint Prosecution and Confidentiality Agreement, and we are planning to release them to the CAG. However, if you would like to discuss any concerns, please contact us today, by close of business.

Thanks
